20th Annual Hubbard-Baro Memorial Golf Tournament

Dear Patriot,

We are thrilled you have chosen to participate in this, our 20th Annual Hubbard-Baro Memorial Golf Tournament. The HB Golf Tournament was started to honor a few boys who hold a special place in our hearts, affectionally referred to as "The Buchanan 8". The tournament has since expanded to nearly 200 golfers and dedicated volunteers to show our gratitude for all the Central Valley's military service men and women.

As our troops return home, many struggle with injuries and health conditions that make the challenges of life even more demanding. Your participation and contributions help with the rehabilitation needs of these Veterans. The Hubbard-Baro Memorial Golf Tournament has proudly donated nearly **\$700k to the Fresno VA Medical Center** over the past 19 years. Our mission is to "to aid and assist the needs of our military men and women who serve our country with Honor and Courage."

On behalf of the entire HB Golf Tournament Committee, we want to extend a special "thank you" to all those who participated in our dinner ceremony this past year. Your involvement and donations were a tremendous success! We look forward to your continued support as we carry on this beloved tradition and make this our most profitable fundraising year to date.

THE HUBBARD ACT

To ensure the fair treatment of a member of the Armed Forces who is discharged from the Armed Forces, at the request of the member, pursuant to the Department of Defense policy permitting the early discharge of a member who is the only surviving child in a family in which the father or mother, or one or more siblings, served in the Armed Forces and, because of hazards incident to such service, was killed, died as a result of wounds, accident, or disease, is in a captured or missing in action status, or is permanently disabled, to amend the Internal Revenue Code of 1986 to repeal the dollar limitation on contributions to funeral trusts, and for other purposes.

This Bill was unanimously passed by The House & Congress then presented and signed by President George W. Bush in 2008 after Army Specialist Jason Hubbard lost his two brothers, Lance Corporal Jared Hubbard and Army Specialist Nathan Hubbard, in Iraq. As the last of three brothers, Jason was discharged from the military under the sole survivor policy. But the army tried to force Jason to repay his enlistment bonus, cut him off from transitional healthcare and denied him access to G.I. educational benefits.

The Hubbard's fought to protect the rights of brave soldiers and their families after enduring the ultimate sacrifice. The Hubbard-Baro Golf Tournament continues to commend and thank the Hubbard's and Baro's for their commitment in supporting America's soldiers. Additionally, we would like to thank the local community that helps make this event a tremendous success.
